CONCLUSION

In light of plaintiff’s having filed a **“second”** application before a subsequent Justice of the U.S. Supreme Court to recall and stay all pending District Court orders and the *Tenth Circuit Court of Appeals Orders pursuant to Appellate Rule 41 et seq., mandating a stay pending disposition of writ of certiorari by U.S. Supreme Court.* This Court is put on notice that it did not have any authority to act on the **“tainted”** removal of Plaintiffs’ case from the onset, and the tainted removal has never been cured and the statute of limitations has run out to cure the fatal removal. Request and demand is made to recall and stay all issued orders pending disposition of recall and stay before the U.S. Supreme Court and Petition for Writ of Certiorari to prevent this Court’s attempt to create a “so-called” personal jurisdiction over the parties and before the issues become mooted by this court and the defendant’s/ respondent’s, Plaintiff-Karen L’Ggrke Et Al renew their **“requests that this Court ‘recall’ all of its Order’s entered on September 22, 23 and 24, of 2014, and strike all orders from the record and “cancel” the Court Reporter appearance, the appearance of representatives from the Tomlinson Law Firm and [a]ny and all representatives from the Asset Plus**

Corporations and Staff One Incorporated pursuant to any Order's this Court has entered for the above stated dates. So pray the plaintiff's.
